

Deliberate Consultation Group Practice

The Deliberate Practice Consultation Group (DPCG) teaches you how to:

- Use DP to be a more effective therapist and supervisor
- Hear client and supervisee challenges with greater clarity
- Target specific areas where you get stuck with clients and supervisees
- Provide effective performance feedback
- Practice skills for specific models and common therapy factors
- Use DP to develop the “Person of the Therapist” and therapist self-awareness

This group is appropriate for BOTH supervisors and clinicians. Licensed and unlicensed clinicians are welcome.

When: The group meets for 1 hour- 12:00-1:00 pm PT on select Fridays

Where: Zoom
